

## Didi

*A loyal, fun companion who loves to play fetch.* Didi is a beautiful brindle girl who is smart, treat-motivated and knows sit and will play fetch. Since going into foster care, Didi has shown us her gentle, loving, affectionate side. She's a loyal and fun companion. She would much rather be by her person's side than anywhere else. Didi needs an average amount of exercise and has become quite the champ at 'chuck it' (tennis ball launcher). She has a rough play style with other dogs so she may be too much for some. Didi currently knows sit, down, stay, leave it, drop it, and is working on target training. She walks nicely on a gentle leader and loves to go for morning and evening walks. Didi seems housebroken and crate trained and would make a wonderful companion for someone with lots of love to give. A home with no children and no other pets is preferred.
